seminar paper from the year 2021 in the subject english language and literature studies linguistics grade 2 0 university of duisburg essen language english abstract how new neologisms arise and what impact they have on our society will be examined in this paper the paper will be structured in such a way that the question how new neologism occur in our vocabulary will be analysed first it is proceeded in such a way that the first part will focus on the explanation of the term morphology and afterwards the individual processes of word formation that are connected to morphology will be presented after the theoretical part the handling of word formations in the area of social media is investigated the focus is particularly on the platforms twitter and instagram and which different processes can be found under the post and the comment section afterwards the applied methodology to gather and investigate the data used in this term paper will be described thus the results will be presented followed by a discussion of explaining and analysing the previous results studies and the methodology eventually a conclusion with a summary of the results and its discussion of the term paper topic will be given

this essay sheds light on a relatively neglected 17th century english thinker sir thomas browne and rereads his works with modern lenses it highlights his insightful contribution to modern thought browne is a man of the modern age his legacy to modern thought clearly appears through his works he raises the issue of the relationship between science and religion and posits archeology and anthropology as disciplines that help better understand past present and future societies

exposes the new generation of whiteness thriving at the expense and borrowed ingenuity of black people and explores how this intensifies racial inequality american culture loves blackness from music and fashion to activism and language black culture constantly achieves worldwide influence yet when it comes to who is allowed to thrive from black hipness the pioneers are usually left behind as black aesthetics are converted into mainstream success and white profit weaving together narrative scholarship and critique lauren michele jackson

reveals why cultural appropriation something that s become embedded in our daily lives deserves serious attention it is a blueprint for taking wealth and power and ultimately exacerbates the economic political and social inequity that persists in america she unravels the racial contradictions lurking behind american culture as we know it from shapeshifting celebrities and memes gone viral to brazen poets loveable potheads and faulty political leaders an audacious debut white negroes brilliantly summons a re interrogation of norman mailer s infamous 1957 essay of a similar name it also introduces a bold new voice in jackson piercing curious and bursting with pop cultural touchstones white negroes is a dispatch in awe of black creativity everywhere and an urgent call for our thoughtful consumption
