European literature and theory of the twentieth century have been intensely preoccupied with questions of desire whereas love has increasingly represented a fractured and strange if not actually suspect proposal. This is a prime symptom of an age of deep cultural mutation and uncertainty. Paul Gifford's book allows this considerable contemporary phenomenon to be observed steadily and whole with strategic understanding of its origins, nature and meaning. Gifford paints a clear and coherent picture of the evolution of erotic ideas and their imaginary and formal expressions in modern French writing. He first retraces the formative matrix of French tradition by engaging with five classic sources: Plato's Symposium, the Song of Songs, the Myth of Genesis, the tension between Greek Eros and Christian Agape, and the repercussions of Nietzsche's declaration of the death of God. Modern variations on these perennial problematics are then pursued in ten chapters devoted to Proust, Valéry, Claudel, Breton, Bataille, Duras, Barthes, Irigaray, Emmanuel, Kristeva. Literary and theoretical perspectives are perfectly blended in his study of these attempts at deciphering Eros. The book will appeal not only to students of French literature but to all those interested in the cultural upheavals of the twentieth century.

A hardcover omnibus edition of the French writer's most famous novel, the basis for the film *Memoir of War*, alongside her fascinating wartime writings and a collection of intimate autobiographical essays. Marguerite Duras was one of the leading intellectuals and novelists of postwar France, but her wartime writings were not published in full until after her death. The wartime notebooks trace Duras's formative experiences, including her difficult childhood in Indochina and her harrowing wait for her husband's return from Nazi internment, revealing the personal history behind her bestselling novels. *The Lover* is the best known of these, set in prewar Indochina. Its haunting tale of a tumultuous affair between an adolescent French girl and her wealthy Chinese lover is based on her own life. In spare and luminous prose, Duras evokes life on the margins in the waning days of France's colonial empire and the passionate relationship between two unforgettable outcasts. *Practicalities* is a collection of small and intensely personal pieces Duras dictated near the end of her life. These deceptively simple meditations on motherhood, domesticity, sex, love, alcohol, writing, and more are witty, earthy, outspoken, and surprisingly fresh and relevant today.
