impotence is an abuse of power it is the act of lying for one s own benefit of disguising the truth in order to mislead for jean jacques rousseau however impotence is first and foremost power itself in on impotence french philosopher serge margel explores impotence within rousseau s discourses confessions and emile for rousseau taking power using it or abusing it are ultimately one and the same act once there s power and someone grants themselves the means the right and the authority to force another s beliefs or actions there is impotence according to rousseau impotence can be found through human history society and culture using a deconstructionist method in the classic manner of derrida on impotence explores rousseau s thought concerning impotence and offers a unique analysis of its implications for politics civil society literature and existentialist thought

available in english for the first time imperfect garden is both an approachable intellectual history and a bracing treatise on how we should understand and experience our lives in it one of france s most prominent intellectuals explores the foundations limits and possibilities of humanist thinking through his critical but sympathetic excavation of humanism tzvetan todorov seeks an answer to modernity s fundamental challenge how to maintain our hard won liberty without paying too dearly in social ties common values and a coherent and responsible sense of self todorov reads afresh the works of major humanists primarily montaigne rousseau and constant but also

descartes montesquieu and toqueville each chapter considers humanism s approach to one major theme of human existence liberty social life love self morality and expression discussing humanism in dialogue with other systems todorov finds a response to the predicament of modernity that is far more instructive than any offered by conservatism scientific determinism existential individualism or humanism s other contemporary competitors humanism suggests that we are members of an intelligent and sociable species who can act according to our will while connecting the well being of other members with our own it is through this understanding of free will todorov argues that we can use humanism to rescue universality and reconcile human liberty with solidarity and personal integrity placing the history of ideas at the service of a quest for moral and political wisdom todorov s compelling and no doubt controversial rethinking of humanist ideas testifies to the enduring capacity of those ideas to meditate on and if we are fortunate cultivate the imperfect garden in which we live
