retreat that posed the possibility that adults could believe in fairies and aliens the more i questioned if fairies could exist the more i discovered that they did later that year i confronted my apprehension when sensing that aliens were near as well and as 2005 changed into 2006 i learned to overcome my fears and to accept the unseen i realize that my story and the fact that aliens and fairies do exist sounds rather unbelievable but read my book follow the path the reasoning of how i learned to overcome my fears and understand that the result was a peace a knowing that we are not alone in our reality that there are unseen beings guides are another term that are present to enlighten protect and serve i close this book description the way i close all my journal entries with the salutation namaste defined through wikipedia as i respect that divinity within you that is also within me namaste suzy graf
