a handbook of the christian faith is a one volume overview of the bible church history christian beliefs and practices other religions and other issues of christianity written in an easy to understand style organized in ten thematic chapters the book is designed for use by individuals or study groups i cannot think of a more helpful resource for adults who are serious about their faith and the desire to understand it better says dr w ward gasque president pacific association for theological studies

in a revised and updated edition this comprehensive up to date text offers a framework for intentional intergenerational christian formation it provides the theoretical foundation of intergenerationality then gives concrete practical guidance on how worship learning community and service can all be achieved intergenerationally

helps students understand the religious context of shakespeare s plays and use his works to explore elizabethan religious life

are you tired of reading another news story about christians supposedly acting at their worst today there are too many examples of those claiming to follow christ being caustic divisive and irrational contributing to dismissals of the christian faith as hypocritical self interested and politically co opted what has happened in our society one short outrageous video whether it is true or not can trigger an avalanche of comments on social media welcome to the new age of outrage in this groundbreaking book featuring new survey research of evangelicals and their relationship to the age of outrage ed stetzer offers a constructive way forward you won t want to miss ed s insightful analysis of our chaotic age his commonsensical understanding of the cultural currents and his compelling challenge to christians to live in a refreshingly different way
