drew a hyland one of continental philosophy s keenest interpreters of plato takes up the question of beauty in three platonic dialogues the hippias major symposium and phaedrus what plato meant by beauty is not easily characterized and hyland s close readings show that plato ultimately gives up on the possibility of a definition plato s failure however tells us something important about beauty that it cannot be reduced to logos exploring questions surrounding love memory and ideal form hyland draws out the connections between beauty the possibility of philosophy and philosophical living this new reading of plato provides a serious investigation into the meaning of beauty and places it at the very heart of philosophy
